Re: Freedom of Information Act Request No. EPA-HQ-2013-002089

Dear Dr. Scofield:

This letter is in response to your Freedom of Information Act request of December 20, 2013, for information related to the data set used to develop the ENERGY STAR score for data centers. Attached is one (1) Excel file containing the requested data. Please note that, in regard to your question about the "weights" used for this model, there were no weights applied in the analysis (i.e., each observation was weighted equally).

You may appeal this response to the National Freedom of Information Officer, U.S. EPA, FOIA and Privacy Branch, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460 (U.S. Postal Service Only), FAX: (202) 566-2147, E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your correspondence to 1301 Constitution Avenue, N.W., Room 6416J, Washington, DC 20004. Your appeal must be made in writing, and it must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOIA number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

Sincerely,
